News from the Director

May/June 2017
Volume 6 Issue 6

Greetings!

We are on the home stretch for the 2016-17 school year! Another year has flown by!

Last week we finished our CAASPP (SBAC) state testing in English, math, and science for our 11th grade students and I am happy to announce that we had 100% participation. The scores will be released in August or September and will be mailed home. A big thank you to all our parents, guardians, and especially our students!

This week our seniors are presenting their Senior Projects to a panel of judges. We know they have worked hard and their presentations will be a success.

We are asking all of our students to stay on top of all of their assignments as we approach the final few weeks.

FINALS SCHEDULE:

5/30 (Tues) English

6/1 (Thurs) Math

5/31 (Wed) Social Studies

6/2 (Fri) Electives

Please note:

- Anne Stearns will not accept written work in English after June 2nd.

CHEMISTRY

The last date to do a lab will be TUESDAY MAY 23.

The last date to complete a unit test will be FRIDAY JUNE 2 by noon.

The last date to complete your final will be WEDNESDAY JUNE 7 by noon.

These are absolutely deadlines so please keep this in mind. You can, however, always complete any/all of these as early as you want. Please don't ever hesitate to e-mail me with questions or come by my room any day at 11:30 except Wednesday.
