

Paradise eLearning Academy

Personalized Education Plan (PEP)

Pre-Conference Parent/Student Survey

Dear Parents:

Paradise eLearning Academy is interested in providing the best personalized education experience for our students. Please help us learn a little about him/her by taking a moment to fill out this survey together. We will use this information during our initial conference to help us ensure we have designed the best possible program for each of our students.

Why are you interested in attending Paradise eLearning Academy?

Are there any areas of concern regarding school in general?

Are there any educational, physical, social and/or emotional concerns that would help us better understand our newest student?

What is the best way for us to communicate with your family? (phone, email, text, IM, etc.)

Is there anything else that you would like your teachers to know?
