Graduation Requirements

Consistent with the Paradise School District's philosophy and goals, Paradise eLearning Charter Academy will issue a diploma certifying high school graduation to all students who meet the following criteria:

High School Exit Exam

Students will be required to pass the California High School Exit Exam, in addition to meeting all other graduation requirements, in order to receive a PHS diploma. This exam is a comprehensive exam in the areas of reading, writing, and mathematics. Special needs students are referred to their special education teacher.
