# More Learning Happens

Every student deserves a path to success. We specialize in partnering with schools to meet the diverse learning needs of students in Grades 6-12.

- **Comprehensive Courses** provide a complete course of study to address the needs of all students, from getting back on track to creating opportunities for advanced coursework.
- **Adaptive Tutorials** empower schools to personalize learning to ensure every student passes their classes the first time, achieves at high levels on high-stakes exams, and is prepared for postsecondary success.

## More Learning. Better Outcomes.

Dropout rates decrease

State exam scores go up

Promotion rates increase

On-time graduation rates increase

Fewer students need credit recovery

More students pass their classes the first time

## About Apex Learning

Apex Learning puts rigorous, standard-based curriculum within reach for all students — from those struggling to those capable of acceleration — to prepare them for the next course and the next stage in their education, work, and life. During the 2015–2016 school year, there were more than three million enrollments in Apex Learning Comprehensive Courses for original credit and credit recovery, and Adaptive Tutorials for intervention, remediation, and preparation for high-stakes assessments. Headquartered in Seattle, Apex Learning is accredited by AdvancEd and its courses are approved for National Collegiate Athletic Association eligibility.

**“The dropout rate has been reduced by over 40% and the number of graduates increased by 22% over the years of using Apex.”**

**Natalie Blasingame**  
Assistant Superintendent  
Houston ISD
